

To Whom It May Concern:

In light of the recent FDA issued alert on the potentially contaminated Chinese import of wheat gluten and rice proteins into the United States, Ajinomoto Frozen Foods USA, Inc. guarantees that it is committed to producing only the highest quality of product. Food safety is paramount to Ajinomoto Frozen Foods and as a result we have taken immediate actions to review our supply chain and have confirmed that the raw materials used in the manufacture of our product are safe from melamine contamination.

Through our supplier approval program we have received assurances from our suppliers that the raw materials purchased and introduced into our product, is safe for human consumption and are not associated with the pet food recall. Additionally, our Purchasing and Quality Assurance departments work closely to ensure that raw materials are only purchased from approved suppliers.

Please note that our operations are compliant with USDA and FDA regulations as well as the International Standard of Quality Management in compliance with ISO 9001:2000.

Should you have any questions or concerns, please do not hesitate to contact your Ajinomoto sales representative or authorized distributor. As always we appreciate your continued business.

Sincerely,
